THE SMOLDERING wreckage of twin-engine turboprop commuter plane rests on the embankment of the Newport Freeway near Santa Ana, Calif., after it crashed in a dense fog taking the lives of seven passengers and two crewmen. The Cable Commuter Airlines plane was enroute from Los Angeles International Airport to Santa Ana. (AP Wirephoto)

## De Gaulle Hopes To Gain Time, Change

PARIS — (AP) — President Charles de Gaulle is playing for time in a hope that the current crisis of the franc will force the Western world to remake its monetary system the way he wants it.

In the radio speech Sunday night in which he announced austerity measures to defend the franc, De Gaulle said: "We are finally seeing the day when... the whole world will agree to establish an impartial and reasonable monetary system putting each country—when it needs it—in a place protected from sudden and absurd speculative movements."

De Gaulle's ideas on reform, include French officials explain, a worldwide readjustment of currency parities within a return to the gold standard.

**Limit U.S. Influence**  
This would mean a rise in the official price of gold—in other words devaluation of the dollar—an end to the dollar's role as the chief reserve currency.

The political consequences of such a reform would be limitation of U.S. influence abroad, giving De Gaulle a more dominant place in Europe, French sources say.

Hints that this basic French aim is being maintained emerged from accounts of the cabinet discussion Saturday when De Gaulle surprisingly decided not to devalue the franc.

Informed sources said Foreign Minister Michel Debre dominated the debate. A fervent nationalist, Debre argued against the kind of devaluation that would leave most other currencies untouched, that is a drop of less than 10 per cent in the franc's parity.

### Weather

**ESCANABA AND VICINITY**—Partial clearing today. Cloudy tonight with chance of snow beginning but mixed with rain at times. Snow Tuesday with a little rain and becoming windy. No important temperature changes.

High Sunday, 42 and low overnight, 34. High today about 40, low tonight, 32 and high Tuesday, 36. Wednesday outlook: snow flurries and much colder. Winds becoming southeast (5 to 15 mph) today and tonight increasing to (15 to 25 mph) Tuesday. Precipitation probabilities: today, 10%; tonight, 40%; Tuesday, 70%.

**Upper Peninsula** — Partly sunny this afternoon but with some brief light snow in the extreme east section. High in the 30s. Cloudy and not as cold tonight, with a chance of snow or rain in the extreme west portion. Cloudy and windy Tuesday with snow or rain likely. High in the upper 30s.

## Nixon To Meet Gov. Rhodes On Appointments

NEW YORK (AP) — President-elect Richard M. Nixon will be talking this week to Republican governors and senators about federal appointments and programs — with Ohio Gov. James A. Rhodes apparently leading the parade.

Rhodes, whose state went for Nixon over Democrat Hubert H. Humphrey, was expected to meet today with the 1968 presidential winner at Nixon's office suite in the Pierre Hotel.

Other GOP notables, their names not yet announced, also were understood to be on Nixon's office schedule for the immediate future.

There was no indication, however, that New York's Republican governor, Nelson A. Rockefeller, would be among the early arrivals. Rockefeller who contested Nixon for the GOP presidential nomination, is mentioned as a possible Cabinet choice in the Republican administration that takes office Jan. 20.

Nixon and his family spent a quiet Sunday—apart from hurried walks between their Fifth Avenue apartment and the Plaza Hotel, at the foot of Central Park, where they had a late brunch.

The President-elect and Mrs. Nixon, their daughter Julie and prospective son-in-law David Eisenhower went to morning services at the Marble Collegiate Church where Miss Nixon and the grandson of former President Dwight D. Eisenhower will be married Dec. 22.

Nixon apparently will spend most, if not all, of this holiday week in New York. Except for Thanksgiving Day, he will hold a succession of meetings with GOP chieftains in preparation for the series of Cabinet announcements that his spokesmen have said will be made after Dec. 5.

## Enemy Beaten In 3 Clashes

SAIGON (AP) — U.S. ground and air forces killed 155 Viet Cong and North Vietnamese soldiers in three clashes northwest and southwest of Saigon while suffering only five Americans killed and 10 wounded, the U.S. command announced today.

But enemy gunners fired more than 200 rounds of rockets and mortars into five South Vietnamese towns and a dozen allied bases Sunday night. Military spokesmen said 13 Vietnamese soldiers and seven civilians were killed, while the wounded included 25 South Vietnamese troops, 36 civilians and at least 16 American servicemen.

With 187 enemy troops reported killed in clashes Saturday, the weekend saw some of the hardest fighting since the halt in the bombing of North Vietnam on Nov. 1.

Two of the three ground fights centered 70 to 75 miles northwest of Saigon along the Cambodian border where the enemy command reportedly has massed 15,000 to 20,000 troops. The third was in the Mekong Delta 45 miles southwest of Saigon.

Monongah of Consolidation officials, representatives of the U.S. Bureau of Mines and West Virginia Department of Mines, and the United Mine Workers union.

There had been no contact with any of the men since the first of the chain of explosions Wednesday. Several explosions followed within a few hours and another blast sent tremors throughout the area early Friday.

Sending the rescue teams and the success of the drill teams in poking through the nearly 800 feet of shale and earth brought renewed hope to those who awaited word of the trapped men.

"I never felt so good in my life," said Mrs. June Heflin whose brother, Wayne Minor, is trapped. "I know there's a real chance now."

"If any of them survived the initial explosion, there's a real good chance they're alive down there right now," said Danny Kuhn, a member of another rescue team.

McCartney read a statement issued after a meeting in nearby

## Franc Firms; Marks Traded For Dollars

### Teams Hijack 2 Planes

MIAMI, Fla. (AP)—Two plane-loads of travelers, forced to Cuba at gunpoint by separate teams of hijackers, returned to the United States with strikingly similar stories of the latest acts of air piracy.

A Pan American Airways jet, commandeered by three gunmen over the Atlantic Ocean after leaving New York for San Juan, P.R., landed in Havana Sunday minutes after the first hijack victims of the weekend were flown to freedom.

An Eastern airliner en route to Miami from Chicago was taken over Saturday night by a team of five men who forced their way into the cockpit at gunpoint, then stood their victims a round of drinks.

**Released**  
The 78 Eastern passengers were returned to the United States in a plane chartered by the U.S. State Department. Cuban authorities released the stolen jetliners and crews a few hours later.

The same charter plane was dispatched back to the Communist island and retrieved the Pan American passengers early today.

Both captains said they learned their crafts had been hijacked when gun-waving men entered the cockpits shouting identical orders—"Cuba! Cuba! Cuba!"

Pan American Capt. Alvin Walker said, "It didn't take us long to decide. I told him, 'Don't shoot. Sit down. We go to Cuba.'"

### Today's Chuckle

Never contradict your wife. It's only your word against thousands of hers.

## Ferris Student Beaten To Death

KALKASKA (AP) — Police today sought the slayer of a Ferris State College student who was bludgeoned to death Friday while hitchhiking from school to his Cheboygan home.

The body of Ronald A. Cronk, 19, was found by deerhunters who had heard cries for help as they trekked along a Kalkaska County wooded trail.

Sheriff Earl Woodman said Cronk had been beaten with a blunt instrument, probably a hammer. The sheriff speculated that robbery was the motive. The youth's wallet and all identification papers were missing from the body.

Cronk, a sophomore at Ferris State, left the school Friday morning for a weekend at the

## Engadine Man Hit-Run Victim

By The Associated Press  
A 6-year-old boy, pushing his bicycle across Owem Road near the I 75 Freeway in Benton Township, was struck by a car and killed Sunday, one of at least 18 traffic fatalities in the state over the weekend.

The Associated Press count of traffic deaths started 6 p.m. Friday and ended midnight Sunday.

Thomas Chapman, 6, of Benton Township was pronounced dead on arrival at a Flint hospital after being struck by a car driven by Lawrence Fisher of Byron, according to police.

Other victims included: Fred Schramm, 70, and his wife, Lilah, both of St. Joseph, killed when their car collided with another at an intersection on the eastern city limit of South Haven.

Larry W. Spurgeon, 22, and James F. Jarrett, 16, both of Pontiac, in an auto smashup Sunday in Pontiac.

Clifford R. Marcus, 19, of Engadine, struck by a car which fled the scene of the accident Sunday on old U.S. 2 in Mackinaw County's Garfield Township.

Beucilla Haynes, 49, of LaSalle, and 7-year-old Jane Henderson, who police said was going to be adopted by Mrs. Haynes, in a car-train collision five miles south of Monroe Saturday.

Eastern pilot Robert Silver said that when his abductor pointed a pistol and ordered the new destination, "I looked at him and smiled and said, 'That's no problem. We're on the way.'"

**\$20 For Drinks**  
After initial tensions eased, passengers on both planes reported their kidnappings took on an almost festive atmosphere.

Eastern stewardess Nancy Corson said one of the hijackers gave her \$20 and insisted that she serve the passengers a round of drinks.

When served, passenger David Ruxton of Chicago said he was told the drink was on "the gentleman in the back with the gun."

Honeymooners Joseph and Ellen Hunoval of South Orange, N.J., said the apparent leader of the Pan American hijackers sat with them for awhile and described him as congenial.

Mrs. Hunoval, 24, told him that he was interrupting the first day of the couple's honeymoon "and he said he was very sympathetic" and "very sorry to inconvenience us."

The Pan American hijack team was accompanied by a woman and a baby. A woman, two children and a baby were part of the Eastern hijack party.

Both groups said their sole purpose in hijacking the planes was to return to their native Cuba.

## Experts Watch Effect Of New Austerity Plan

PARIS — (AP) — The franc strengthened today as Europe's major foreign exchange markets reopened, and in West Germany speculators rushed to exchange stocks of marks for U.S. dollars.

Government leaders and financial experts watched closely for indications whether President Charles de Gaulle's new austerity program can save the French currency from devaluation.

West German commercial banks maintained their restrictions on the franc, accepting only 500 marks worth at a rate of 69 marks per 100 francs. But within half an hour after trading opened, the central Deutsche Bundesbank had lost an estimated \$200 million of the vast dollar balance it accumulated during the weeks that speculators had been buying marks with francs.

The dollar rose sharply to 3.9770 marks from its lowest intervention point of 3.9700.

**Refusal To Revalue**  
The West German government's refusal to revalue its currency upward and De Gaulle's refusal to devalue his had removed the prospects of a speculative profit from a more valuable mark or conversion to a cheaper franc.

In advance of the opening of the Paris market, the franc was firm in unofficial transactions between French banks at 4.95-4.96 to the dollar and 11.8245 to the pound sterling, the strongest showing it has made since the student-worker rebellion in May.

The bank-to-bank transactions usually reflect sentiment in the French financial community accurately.

**Restrictions**  
Putting teeth into the restrictions promised by De Gaulle, the French official journal announced that Frenchmen can buy only \$100 worth of foreign currency at the official rate for pleasure trips abroad and also take along a maximum of 200 francs—\$40—in French money.

French businessmen traveling abroad will be given an allowance of \$40 a day, with a maximum total of \$400. For business or tourist trips of less than 24 hours, the allowance is \$10.

Another decree, effective at midnight Sunday forbade residents of France to make any foreign exchange deals without going through an official agency.

The measure stopped the free convertibility of the franc and is expected to halt the legal flight of French money to Germany and Switzerland.

President Johnson and West German Finance Minister Franz-Josef Strauss publicly gave support to the French president. But money men in other European capitals doubted that De Gaulle's measures were enough to restore confidence in his currency.

De Gaulle announced his austerity program in an eight-minute radio speech Sunday night, barely 24 hours after stunning the Western world with his announcement that the value of the franc would remain at 20.1045 cents.

In his radio speech he announced government spending would be cut \$900 million in addition to the \$400 million cut announced last week, exchange controls would be reimposed in an attempt to stop the flight of capital out of France, a hold-fast order for prices and wages would be issued, the tax collecting system would be made tougher, and law and order would be maintained.

## Microphones Fail To Detect Life In Mine

MANNINGTON, W. Va. (AP) — The sound of gurgling water and pebbles falling, not voices, was all rescuers heard today in the search for 78 men trapped in a smoldering coal mine for five days.

"There's no sign of life at the present time in the hole," said a coal company official, Ralph Hatch, after the first of the night-long testings with a sensitive microphone. The listening device—capable of "picking up a whisper at 100 feet"—was dropped through a drilling hole into one of the mine's passageways 785 feet below the surface.

Two rescue teams also probed into the mine shafts Sunday but found no trace of the men who have been trapped since early Wednesday when explosions thundered through the sprawling Mountaineer Coal Co. No. 9 mine. The other 21 men on the midnight shift either escaped or were pulled to the surface.

**Ray Of Hope**  
The rescue units reported finding evidences of concussion

and clear air as one poked 4,500 feet into one shaft, the deepest penetration.

John Corcoran, president of Consolidation Coal Co., Mountaineer's parent firm, sent the rescue teams into the mine "because I still have that ray of hope that these men will be found alive."

Corcoran said the teams could enter because of "conditions stabilizing" in the mine. He noted there had been no explosions since Friday morning and smoke from the mine's portals had diminished considerably.

But at 2 a.m. today, James McCartney, Consolidation public relations counsel, said "no further exploration of the underground areas" is planned "pending further information."

"It is felt that it would be endangering the lives of the mine rescue teams unduly to have them proceed further into the mine than they already have," McCartney said.

**No Contact**  
McCartney read a statement issued after a meeting in nearby

A VIETNAMESE woman peers around her conical straw hat into the Special Forces compound at Nha Trang, South Vietnam, last weekend. She looks over a wall topped with broken glass that is designed to keep unauthorized personnel out of the compound, located some 200 miles northeast of Saigon. (AP Wirephoto)

SHOPPING DAYS 'TIL CHRISTMAS

Dept. Of State Computerizes Licensure

# 1st Car Plate Digits Tell Identity

Computerized systems that speed exchange of vital information about vehicle licensing throughout Michigan were described by Secretary of State James M. Hare in Escanaba at a meeting of Department of State branch managers.

The computerized terminal systems machine was unveiled on Saturday at the House of Ludington, and sessions with the 25 branch managers were held on Sunday.

Arrangements for the Upper Peninsula instructional meeting were made by Claude Tobin, Escanaba branch manager.

**Quick Identification**  
Hare reported that rapid communication with law enforcement officers through branch stations will provide the officers with almost instantaneous identification of motor vehicle licensees. If only the first couple letters and numerals on license plates are known, the computer system completes the identification within seconds.

Inquiries regarding the driving records of individual motorists will also be answered within a few seconds, thus making it possible to determine the eligibility of motorists for license renewals no matter where they may apply in the state.

Hare also touched on a revolutionary new method of dealing with persons who drive while under suspension and revocation in the form of a law which provides for impoundment of their vehicles.

## Helps Cut Cost

The law is now in effect, but because it is new not only to Michigan but the entire country, Michigan courts will require a reasonable time before the new law will be administered.

Hare's group from Lansing included William Hoettiger and Walter Elliott, secretary of state deputies; William Thompson and Gordon Alexander, assistant secretaries; Harley Neider, director of the branch offices division; Kelly O'Callahan, president, and Mrs. Patricia Knox, secretary, of the Branch Managers Association. Mrs. Hare accompanied her husband.

## Service Maintained

Hare reported that despite sharply rising budget demands and government costs, the Michigan Department of State will be asking for about \$5-million less than the current year in its budget request for fiscal 1969-70. Much of the budgetary savings will be effected by requesting automatic appropriations for money to pay claims against the Motor Vehicle Accident Claims Fund, he said.

While divulging his budgetary

SECRETARY OF STATE James M. Hare explains the working of his department's new computerized auto license system to Delta area law enforcement and licensing officials at the House of Ludington Saturday night. From left: Claude Tobin, manager of the license office in Escanaba; Escanaba Police Chief Richard Frederick, State Police Cor-

poral Donald Williams of Gladstone, Delta County Prosecutor Nicholas P. Chapekis, State Police Trooper Leroy E. Haltonen; James M. Hare, and, demonstrating the teletype which ties in police and plate offices throughout the state with the computer system for licenses, Gerald Simon of the Department of State. (Daily Press Photo)

"Many persons are unaware that revenue from weight tax is earmarked for construction and maintenance of Michigan roads and highways. The increase was part of the so-called 'good roads' package of bills which also included a rise in gasoline taxes in Michigan.

"Even though this is a sharp hike in fees, Michigan is still lower than some other states, including several industrial states. Our current fees put us about average for the country as a whole."

**Below Other States**  
Hare quoted a letter he received from a former Michigan resident who moved to New York and who received a Michigan prepared application. He wrote saying, "... \$23.55 is a raise but still far below the \$33 we paid here."

In California, there is a starter fee of \$11 for each passenger vehicle and an added fee of \$2 for each \$100 of the market value of the vehicle. If a market value on the car is \$2,000, cost of registration would be \$51. Illinois charges \$22.50 for registration of all vehicles above 50 horsepower. There are no set patterns for establishment of fees. Some states work on flat fees, some charge by weight, some are based on property taxes, others on a combination of formulas.

He said he was hopeful that the increase would mean that Michigan will be able to retain its current national high ranking in road building and maintenance.

## Briefly Told

The Soft Spray Car Wash at 2500 1st Ave. N., was entered Saturday night or early Sunday and some tools may be missing, Escanaba police were told by Archel Rupert of Escanaba, Rte. 1. Officers are investigating.

# Girl Needs Money To Get Out Of Shuttle

CLAYTON (AP) — Mr. and Mrs. Phil Hart of Clayton wired a \$300 money order to their daughter Sunday at Southampton, England, in answer to her appeal for someone to save her from a life of shuttling between England and Australia.

Pat Hart, 22, was refused entry into England when she arrived from Sydney, Australia, aboard an Italian liner.

Immigration told her: "Sorry, you must go back to Australia. You are not allowed to land in England."

The trouble stems from the fact that the young woman made a 3,000-mile voyage without getting a British work permit. And she arrived without enough money to support herself.

Mrs. Hart said her daughter phoned from the ship Saturday night and asked for the \$300 which would be enough for her to pass British customs.

## Rapid River Man Bags A Bear

George Smith, 64, of Rte. 1, Rapid River, wasn't hunting at 7 p. m. Saturday, but he bagged a bear, nevertheless.

State Police reported Smith struck and killed a black bear with his car on U. S. 41 in Masonville Township. Smith was not injured, troopers said.

## Deer Disguise

GREENVILLE, Mich. (AP) — Mrs. Elwood Crawford has taken precaution to prevent anyone driving north from Greenville from making a mistake during deer hunting season.

# George Hurley Rites Tuesday

George F. Hurley, 74, of Old State Road, died last Saturday afternoon at St. Francis Hospital after a lengthy illness.

Mr. Hurley was born March 25, 1894, in Chicago, Ill., and had lived most of his life in Escanaba.

He was a member of St. Patrick's Church and had been employed as a stationary engineer for the Chicago & North Western Railway. He retired in 1953. He was a member of the Fireman's and Oilers Union.

He married the former Jennie Martell on April 15, 1915. They celebrated their Golden Wedding Anniversary in 1965.

Surviving are his wife; five sons, George Jr., of Ashville, Ohio, Raymond of Lowell, Mass., Gordon of Ypsilanti, James of Chicago and Edward of Escanaba; six daughters, Mrs. Reuben (Elaine) Carlson of Leppoc, Calif., Mrs. Carl (Dorothy) Plattner of Ypsilanti, Mrs. Robert (Laverne) Ring of Marquette, Marjorie Hurley of Salem, Ore., Mrs. Ernest (Mary) Beauchamp and Mrs. John (Donna) Nelson of South Milwaukee, 35 grandchildren and five great grandchildren and one sister, Mrs. Hubert (Lilas) LaCrosse of Escanaba.

Friends may call from 3 to 9:30 p. m., today at the Degan-Crawford Funeral Home. Daughters of Isabella will recite the rosary at 4 p. m. Parish prayers are scheduled for 8 p. m. Funeral services will be held at 9 a. m., Tuesday at St. Patrick's Church with Rev. Charles Carmody officiating. Burial will be in Holy Cross Cemetery.

## Collision Results In Minor Injuries To Two Persons

Two persons were injured, neither seriously, in one of three traffic accidents reported to State Police Saturday and Sunday.

Officers said Helen Sovey, Rte. 1, Gladstone, apparently turned her car into County Road 416 to turn around, then backed into the path of a car driven on County Road 426 by Nicol Ballbach, Milwaukee.

Both drivers suffered minor injuries. Mrs. Sovey was ticketed for failure to yield the right-of-way. Ballbach was issued a summons for expired operator's license.

Troopers said Melvin Cartwright, Rte. 1, Gladstone, was ticketed for violation of the basic speed law and failure to transfer registration plates after his car left U. S. 2 in Wells Township about 12:10 a. m., Saturday. Officers said the car skidded into the ditch and rolled over. Cartwright was not hurt.

Michael Stansbury, Bark River, escaped injury about 12:30 a. m., Sunday when his car ran off U. S. 2 and 41 in Harris Township. Stansbury told police he lost control when attempting to miss another car which pulled out in front of him.

## Slams Into Tree

PONTIAC (AP) — Two Oxford men were killed and another was hospitalized today when their car left the road and slammed into a tree in Addison Township northeast of Pontiac.

The victims were identified as 22-year old Conrad Misenar and 21-year old Leonard Schultz, both of Oxford.

# Monetary Structure Is Necessarily Rigid

By JOHN CUNIFF  
AP Business Analyst

NEW YORK (AP) — The system of international exchange rates is proving to be a rigid structure. If it were more resilient, if it had more sway, its nuts and bolts and gears might not break down so often.

As set up, the machinery moves smoothly when the gears are properly related to each other; that is, when the world agrees the French franc is worth 20 cents, the German mark 25 cents, the British pound \$2.40.

These are the fixed rates assigned to currencies so that they may be exchanged with assurance, one with the other.

When the gears are coordinated the machinery of international finance spins like a printing press and the world prospers. Currencies of one nation are freely exchanged for goods of another.

## Fixed Ratio

Even if the relative size of these gears shifts a bit the machinery still works, although not as smoothly. The British pound might be \$2.37 or \$2.42 or so, as it has been, but that's a permissible range. Nothing stops.

A trouble with the system, though, is that it assumes a fixed ratio will always exist, that the franc because it is worth one-fifth of a dollar now, and the mark a quarter, will be worth the same next year and so on.

In reality, such equilibrium seldom exists for many years. Economies grow at different speeds. And some economies grow larger, others relatively weaker and smaller. Some economies are mismanaged.

As a result the gears, meaning the economies, get larger or smaller in relation to each other, but not always in the correct proportion.

## Runs Up Bills

The evidence of disproportion in the ratios generally is revealed by balance of payments figures. A strong nation generally sells more than it buys. A weak economy imports more than it exports. It runs up bills.

The present international monetary system sometimes declines to accept the evidence before it. Long after the machinery has become disrupted the offending nation maintains all is well. The rates of exchange remain officially fixed.

The result is that the machinery sometimes works all the more poorly, and it becomes obvious to everyone that a grinding confrontation with reality is inevitable. A crisis develops.

As the crisis worsens, money flees from the weak to the strong economy, making the strong even stronger and the weak weaker. Everyone wants to hold the strong currency.

## Loss Trust

What has happened at this point is that nations and people no longer believe the official rates are a true reflection of the strengths of the economies relative to each other. They anticipate an adjustment must be made.

It is only at this point, with the entire machine grinding and groaning, that monetary officials concede a breakdown could result.

After having first refused to recognize the evidence, and after having failed to correct the damage, the nations admit the gears must be readjusted or world trade won't function, one gear won't accept another.

At this point the machine operators hurriedly decide on how they can keep the system intact.

# Mrs. E. Yelland Taken By Death

Mrs. Edith F. Yelland, 69, of 523 1/2 Odgen Ave., died at 1 p. m. Saturday at St. Francis Hospital. She had been in ill health for the past nine months.

She was born Aug. 6, 1899 in Buffalo, N. Y. and had resided in Escanaba since 1927. Her husband, Attorney Harland Yelland, died May 10, 1959.

Mrs. Yelland was employed as a nurse at St. Francis Hospital and was a member of the First Presbyterian Church, Order of Eastern Star and the Michigan Registered Nurses' Association.

She is survived by three sons, Robert of Escanaba, Judd and Harland J., both of San Francisco, Calif.; one sister, Mrs. Phyllis Mallock of Wilmington, Del. and three grandchildren.

Allo Funeral Home is in charge of funeral arrangements and there will be no visitation at the funeral home. Memorial services will be conducted at 2 p. m. Tuesday at the First Presbyterian Church with the Rev. Philip Lyons officiating. The body will be taken to Sheboygan, Wis. for cremation.

# Flint Man Faces Driving Charge

Harold Peck, Flint, was scheduled to be arraigned in Municipal Court in Escanaba today on a charge of driving under the influence of intoxicants.

State Police said Peck was arrested on U. S. 2 and 41 about 9:45 p. m., Saturday. Officers said his car was going the wrong way on the divided highway near the Log Cabin. Peck was released from the county jail after posting bond Sunday.

# British Are Shocked Over Latest Tax Hike

LONDON (AP) — The British recoiled with shock and anger today from the latest tax increases, while financial experts predicted worse was in store if the French franc is devalued.

Some financial commentators said the 10 per cent sales tax slapped on consumer goods in Britain, a government move to save the pound sterling from a second devaluation in just over a year, would fail to solve the country's domestic difficulties.

And they said measures so far announced in Bonn would not save the French franc from devaluation, nor solve the world's monetary crisis.

Heavy devaluation of the franc, reported in Bonn, rumored in Paris but not confirmed by French President Charles de Gaulle, will mean more trouble for the pound sterling, said the experts.

The immediate effect of the British government's move to cut back consumer spending was a spending spree. People rushed to stock up for Christmas before the new tax measures reached the stores.

Chancellor of the Exchequer Roy Jenkins told the House of Commons Friday the pound will not be devalued. But as a defense of its international value, he announced a package of tax increases on drink, tobacco, gasoline, consumer durables,

luxury items, food and clothing.

An innovation was an import deposit system, under which importers of goods other than food and raw materials will have to deposit 50 per cent of the value with the government. The deposit will be repaid six months later, Jenkins said.

Criticism

The man-in-the-street reacted with criticism. "Diabolical," said Don Sagers, a London accountant. "Murder," said Bill Smithson, a printing executive. "I'll emigrate," said Maureen Norris, a telephone operator.

Harold Hutchinson, political correspondent for the pro-government Sun, forecast the squeeze will mean victory for Edward Heath's opposition Conservatives at the general election in October 1971.

Heath launched his attack on Prime Minister Harold Wilson's government in a speech at Derby today.

Mismanagement

Conservative spokesmen charged the reason for the cuts lay not in international monetary discord but in mismanagement at home. A showdown is expected in the Commons Monday night, when the Conservatives reportedly will seek a vote of censure against the government.

The impact of the new taxes was greater in light of recent

statements by government leaders. Only last Sunday Jenkins expressed optimism about the economy's prospects. Employment Minister Barbara Castle two weeks ago said no squeeze was on the way, and Wilson had talked of an economic miracle in the making.

## Driver Ordered To Pay \$50 Fine Or Go To Jail

Perry Thunder, 37, of Harris, pleaded guilty in Escanaba Municipal Court today to charges of driving while under the influence of liquor and driving while his operator's license is revoked.

He was ordered to pay a fine of \$50, costs of \$5, or spend 30 days in the Delta County Jail. His operator's license was suspended.

Escanaba police arrested Thunder at 10:36 a. m., Saturday after his car was involved in a property damage accident in a parking lot at the Sav-Mor market.

## Store, Cottage Are Entered

Breaking and enterings at the Rock Co-op Store and at a cottage are under investigation by State Police.

Troopers said entry to the store was gained by breaking glass in the front door. A number of various items are missing, officers said. Clifford Seeley reported the breaking and entering Saturday.

Warren Lee, 1114 8th Ave. So., Escanaba, reported his cottage in Ensign entered sometime during the weekend. Nothing was reported missing, officers said.

## Robert Zibbell Dies In Detroit

Word has been received of the death on Nov. 23 of Robert Zibbell of Detroit. He was the husband of the late Elvira Johnson Zibbell, a former Escanaba resident.

Survivors also include two sisters-in-law, Mrs. Bert Bertolaet and Mrs. Joseph Reese and a brother-in-law, Roy Johnson, all of Escanaba.

Funeral services will be conducted Tuesday in Detroit.

## Briefly Told

An Al-Anon meeting will be held at 8:30 this evening at St. Thomas Hall.

Holy Name Band Mothers will meet tonight at 8 at Holy Name High School to work on decorations for the Dec. 5 Card Party. They are asked to bring scissors.

State Police issued traffic summonses over the weekend to Thomas Yaeger, Clintonville, Wis., speeding; Michael Hanson, Bark River, failure to dim headlights and defective brakes, and Allen Richer, Bark River, no valid registration plates.

Two garages were damaged by fire in Escanaba, one on Saturday and the other today, it is reported by city firemen. The damages were slight in both instances. Firemen were called to extinguish a fire in the John Savard garage at 900 2nd Ave. S., at 7:25 p. m., Saturday; and to the Lester Paulin garage fire at 224 N. 20th St., this morning.

The Bay de Noe Flying Club will show two movies, "Density Altitude" and "Ice Formation On Aircraft," at 8 p. m., Tuesday at the Chamber of Commerce building. Anyone interested in general aviation will be welcome. Persons interested in the Flying Club may contact the club at 1111 11th Ave. S., Escanaba, or 918 Dakota Ave., Gladstone.

Escanaba police have issued traffic court notices to Lois Levesque, Bark River, Rte. 2, improper lane usage and no operator's license on person; Duane Williams, speeding; Charles A. Ketcham, Gladstone, Rte. 1, speeding and disobeying a traffic signal; Francis P. Gagnon, 811 Superior Ave., Gladstone, competitive driving; and David J. Krause, Bark River, disobeying a traffic signal.

## Rapid River

The PTC will meet today in the multi-purpose room at 8 p. m. Thomas McDermott, social worker and Lowell Grabau, psychologist of the Social Services Mental Community Health Clinic will speak. Mrs. Gertrude Hayes is the ninth grade lunch chairman.

Mrs. Keith Hinde, San Luis Obispo, Calif. is spending three weeks with her parents Mr. and Mrs. Henry Van Mill. Mrs. Hinde is the former Mary Lou Potvin.

ROLE WITH A DRUM seems to be to the liking of Swedish starlet Katarina Leed, 18, who puts everything into her part in a new historic film.

# Power Failure Reunites Polio Victim, Buddies

DETROIT (AP) — A power failure rekindled "a love affair" Friday night between a paralyzed polio victim and her buddies — Detroit police and firemen.

An underground cable failure at 8:18 p.m. left some 9,000 northeast Detroit homes without power, and left Mrs. Betty Jane Tanceusz in a potentially grave predicament.

Paralyzed from the neck downward since she was stricken by polio in 1952, Mrs. Tanceusz, 44, depends on an iron lung and portable chest respirator to stay alive.

Without power her iron lung is useless.

Over the years she has come to know policemen and firemen stationed in the area, as well as Detroit Edison emergency crews, as "buddies" who are always there when needed.

Portable Respirator

When lights went out at her small home near Detroit City Airport, Mrs. Tanceusz was in the iron lung. Neighbors rushed over and helped her husband, Adam, 44, and a son, Paul, 18, transfer her to the portable respirator.

But they had hardly finished the job, 10 minutes after the blackout, before firemen arrived.

Firemen brought a portable light to replace flashlight and candles, and they stayed around, since the portable respirator can operate for only a few hours on its batteries. The iron lung can be operated manually, however, and the firemen know how.

By 9:05 p.m. an Edison crew was on hand installing a porta-

## Drowning Victim Found:

# Deer Hunt Toll Increases To 22

The number of Michigan hunters who have died during the 1968 firearm deer season grew to 22 over the weekend, but no new deaths were reported in the Upper Peninsula.

Houghton County authorities, however, recovered the body of Timothy Healy, 34, of Calumet, who drowned in a canoe accident last weekend in a lake some 25 miles southwest of Houghton.

A search for his body had been underway all week. The bodies of his brother, Peter, 24, and Jon Caspar, 29, both of Houghton, were recovered last Saturday.

The fourth Michigan hunter to die of gunfire was reported Saturday in Richland Township of Ogemaw County, about 20 miles from East Tawas.

Shoots Son

Authorities said Donald E. Delavergne, 16, of Greenbush, died when he was shot in the head by his father, Francis, who had fired at a deer.

The father said he shot at a deer and later found his son, some distance away. The boy

died in an East Tawas hospital, where his father had taken him.

In addition to the four who have died from gunfire, eight other hunters have died of heart attacks, three have been killed accidentally by their own guns, four have been killed in airplane crashes and three have drowned. Five of the heart attack victims were hunting in the Upper Peninsula.

Hunting activity was reported as generally light in the Upper Peninsula over the weekend with no specific concentrations of hunters reported in the Escanaba District, according to the Dept. of Natural Resources.

Hunting conditions were described today as good with temperatures in the 30s and 40s. Up to 18 inches of snow remains on the ground in the northern parts of the district.

Hunters Go Home

Figures at the Mackinac Bridge indicated today that most Lower Michigan hunters who came to the Upper Peninsula have returned home.

Of 28,640 northbound vehicles, 24,787 or 86 percent have returned to Lower Michigan carrying a total of 7,242 deer and 65 bears. The deer kill was down 1,376 from 1967, when 26,638 vehicles had carried 8,618 deer and 153 bears into Lower Michigan.

The 1968 season which opened Friday, Nov. 15, closes Saturday, Nov. 30. Dept. of Natural Resources officials expect the greatest hunting activity during the Thanksgiving Holiday period, Thursday, Friday and Saturday.

## Search

WINDSOR, Ont. (AP)— Windsor police are looking for a young Michigan woman who was last seen in the Windsor area a week ago. Maryann Lewicki, 23, of Dearborn Heights was last seen Nov. 15. Her car was found abandoned in Windsor that day and a purse containing her identification was found floating in the Detroit River.

PASSENGERS AND CREWMEN reached safety ashore at San Francisco by plane liferaft from Japan Air Lines jetliner, background, which landed in muddy waters of San Francisco Bay three miles short of the runway at San Francisco International Airport. All 107 persons aboard were uninjured and few got even their shoes wet. (AP Wirephoto)

# GLADSTONE Lady Bird Is On Last Beautiful U.S. Pilgrimage

EUREKA, Calif. (AP) — Mrs. Lyndon B. Johnson concludes her final beautiful-America pilgrimage as First Lady by dedicating the 58,000-acre Redwood National Park "to the happiness of the people."

"For us, this ceremony is the crowning moment of a crusade which has lasted two generations," Mrs. Johnson said.

Her remarks were prepared for the dedication ceremony today at the foot of a 300-foot-tall redwood in the new national park near Orick, 40 miles north of Eureka in coastal Northern California.

Mrs. Johnson said creation of the park, out of existing California state parks and private timberland, "is one of my husband's proudest achievements."

And she complimented "the great generosity" of big timber companies in helping to create the park, a subject of a bitter, emotional dispute in the area where the economy depends on the redwood logging industry.

From the dedication site above Redwood Creek, Mrs. Johnson and her entourage will visit other areas of the new park, which stretches 40 miles along the Pacific Coast almost to the Oregon state line.

Mrs. Johnson planned to fly later to San Antonio, Tex. and then to the LBJ Ranch, ending a three-day, 6,000 mile tour that included stops at New Orleans, Cape Kennedy, Fla., Denver, Colo., and California.

Controversy still surrounds the park. Yet to be negotiated is the price to be paid to timber operators for nearly 30,000 acres of redwood land.

The rest of the park consists of three California state parks which remain in state ownership.

# Fog Is Delaying Plane Search

LOS ANGELES (AP) — Fog, a factor when two of three plane crashes took 16 lives in California over the weekend, hampered the search today for another plane missing four days.

All seven passengers and two pilots lost their lives when a twin-engine commuter airplane cutting through thick fog to land clipped a 40-foot light standard and flipped to earth. The propeller crashed on a freeway embankment, spewing flaming debris across all lanes of the Newport Freeway. Just one day before the director of the Orange County Airport — the plane's destination — said new safety equipment was "desperately needed."

Robert J. Benahan, the director, specifically called for additional instrumentation at the airport to assist planes groping through fog and low clouds for landings at the field, one of the three busiest in Southern California.

At the crash scene, Randy Robertson, 28, of Huntington Beach, said "a fog bank had just rolled across the freeway." He was one of five motorists narrowly escaping injury from the cartwheeling wreckage.

"It's incredible that it missed all those cars," said Santa Ana Police Sgt. James Dillon.

The site of the Saturday night crash southeast of Los Angeles was one mile from the Orange County Airport runway in Santa Ana, the plane's destination on a 30-mile hop from Los Angeles International Airport. Later, both airports were forced to halt operations.

Near Modesto in central California a rancher discovered the wreckage Saturday of a light plane that disappeared in fog three days earlier and crashed, killing two school administrators and the pilot aboard.

Four members of a San Jose family were killed in the Sierra Nevada range when their light plane crashed Saturday night.

# Unit Thanksgiving Worship Service

The Bethel Evangelical Free Church and Grace Baptist Church will combine for a Thanksgiving Worship Service Wednesday at 7:30 p. m. at the Bethel Church.

The Rev. Gerald Brady, pastor of Bethel Church, and the Rev. Gaylord Wright, pastor of Grace Baptist church, will conduct the service and anyone wishing to attend will be welcome.

# Briefly Told

Happy Rock Extension Club will meet at 8 p. m. Tuesday at the home of Mrs. Harold Stockholm, 1327 Minnesota Ave.

The Matinee Bowling League at Midway Lanes will bowl at 1:30 p. m. on Tuesday this week instead of Wednesday.

Gladstone City Police report a car-deer accident over the weekend in which a car driven by Joseph F. Verbrigghe, 1410 N. 16th St., Escanaba, going south, hit a deer near the intersection of Delta Ave. and US-2-41. There was slight damage to the auto.

Failure to stop for a stop sign netted tickets from Gladstone City Police for Pamela Snyder, 708 Delta Ave.; Lyle C. Bizeau, 612 N. 19th St.; Evelyn Ayotte, 1514 Michigan Ave., and Mark Stupak, 710 Minneapolis Ave., over the weekend. Richard D. Cayer, Route 1 Gladstone, was ticketed for speeding.

# Social

August Mattson Post 71, American Legion Auxiliary, will hold a regular meeting at the Legion Hall at 8 p. m. today.

## Women's Activities

Mrs. James Johnson (Gordon Nelson Studio)

### Iris Eileen Bonno, James Johnson Wed

First Lutheran Church in Gladstone was the setting Saturday, Nov. 16 for the wedding of Iris Eileen Bonno and James Johnson. The Rev. Reuben Carlson officiated at the nuptials.

Bouquets of white chrysanthemums adorned the altar for the service and Mrs. Michael Creten provided the traditional organ music.

The bride is the daughter of Mr. and Mrs. Marvin Erickson, 222 S. 10th St. Escanaba formerly of Gladstone and parents of the bridegroom are Mr. and Mrs. Edwin J. Johnson, 1625 Dakota Ave., Gladstone.

#### Honor Attendants

Honor attendants were Janet Spevacek of Brampton, cousin of the bride and David Johnson, brother of the bridegroom. Diane Dillabough of Gladstone was bridesmaid and Mark Bonno, brother of the bride was groomsmen.

Seating the guests were Ma-

son Thibault and Gary Young, both of Gladstone.

#### Satin Gown

The bride, given in marriage by her father, wore a satin princess-style gown fashioned with a full length train. A marabou headpiece secured her full length veil and she carried a marabou muff topped with white orchids.

The bridal aides were attired in deep rose silk dresses and matching marabou puff headpieces held their face veils. They carried crescent bouquets of white Fuji chrysanthemums.

Following a reception and dance at the Midway, the newlyweds left for a honeymoon trip to Chicago, Detroit and Indiana.

#### Special Guests

Special guests included Mrs. Frances Coleman of Escanaba and Mrs. Lawrence Bonno of Gladstone, grandmothers of the bride.

Both the bride and bridegroom are Gladstone High School graduates and the bride had been employed at Sterling Building. Mr. Johnson is employed by American Telephone and Telegraph at Iron Mountain, where the couple will reside.

**CLASSIFIED ADS COST LITTLE BUT DO A BIG JOB**

### Hoehn, Wood Top Bridge League Play

The Delta Duplicate Bridge League met Saturday evening at the Elks Club with a large number of persons attending.

Winners were Clair Hoehn and Bill Wood, Mrs. John Sakovitch and Mrs. John Boyle, Mr. and Mrs. Harry Needham, Mrs. Bob Pearson and Mrs. Bob Pearson Jr., Mr. and Mrs. Ken Dufresne, Mr. and Mrs. Clyde Lepisto, Mrs. Wallace Marenger and Mrs. Ronald Tumler, Bob Pearson Sr. and Bob Pearson Jr., Mrs. Jim Fitzpatrick and Mrs. Jim Thorin and a tie for 10th between Mr. and Mrs. Leo Alperovitz and Mrs. Clair Hoehn and Mrs. Bill Wood.

The next session will be held Nov. 30 at the Elks Club with registration at 7:30 p.m. The public is invited.

### Hannahville Women's Group Meets Sunday

The Hannahville Women's Group will meet at First United Methodist Church, Escanaba, on Sunday, Dec. 1 at 4 p.m. for a time of fellowship and fun.

This group, though not formally organized, was begun in 1963 through the initiative of a small group of interested women from Escanaba and Gladstone with the help of Ingrid Tervonen.

The group has been meeting periodically for the past six years for the purpose of learning more about sewing, home management, etc. Women of the First United Methodist Church will serve supper. Mrs. Wipp is in charge of the program.

### Hours A Woman May Work Is Now Without Limit

LANSING (AP) — The State Occupational Safety Standards Commission has removed restrictions on the number of hours a woman can work in one day or week.

The new commission standard is to go into effect Feb. 15, 1969 and is subject to ratification by the Legislature.

The unanimously approved standard states that: "In the employment of females when not otherwise covered by statute, there is no limit on the number of hours of work which may be performed by a female in any one day or any one week."

State law previously limited employment of women to an average of nine hours a day or 54 hours a week, and not more than 10 hours in any one day.

### Church Events

**Central United Methodist**  
Tuesday, Nov. 26, 6:45 a. m.—Men's Breakfast fellowship.

**First United Methodist**  
Tuesday, Nov. 26, 6:45 a. m.—Men's breakfast fellowship at the Sherman Hotel; 7:30 p. m., coffee hour for women at the parsonage; 7:45 p. m., dartball for men at Memorial Methodist Church, Gladstone.

**Bark River Methodist**  
Tuesday, Nov. 26, 7:45 p. m.—Men's dartball.

**Salem Ev. Lutheran**  
Wednesday, Nov. 27—Ladies' Aid will meet at 2 p. m., in the church parlors. Hostesses will be Mrs. Edward Lewis and Mrs. Wayne Kirkpatrick.

**First Presbyterian**  
Tuesday, Nov. 26, 9:30 a. m.—Women's Association breakfast; 7:30 p. m., Teachers' meeting.

### Events

**TOPS Clubs**  
Silhouettes TOPS Club will meet tonight at the Junior High School in Room 260. Weigh-in will be at 7 followed by the business meeting.

TOPS Mini-Mums will meet at 7:30 p. m., Tuesday at the Civic Center. For more information call 786-1228.

Mrs. Duane Smith (Gordon Nelson Studio)

### Mary Gallagher Bride Of Duane F. Smith

Mary M. Gallagher of Escanaba became the bride of Duane F. Smith of Gladstone during a ceremony performed Saturday, Nov. 23, at St. Patrick's Church in Escanaba.

The Rev. Charles Carmody officiated at the double ring nuptials at 1 p. m. During the service the bride placed a bouquet of red and white carnations at the altar of the Blessed Virgin.

The bride is the daughter of Mr. and Mrs. John Gallagher of 315 S. 13th St., and the bridegroom is the son of Mrs. Albina S. Smith, 920 1/2 Delta Ave., Gladstone.

#### Lace Gown

For her wedding, the bride selected a floor length gown of alencon lace styled with a beaded bateau neckline and long tapered sleeves. The ruffled bouffant skirt featured a lace apron effect circlet which ended in a chapel train.

A queen's crown of lace and crystal held her bouffant English illusion veil and she carried a cascade bouquet of white carnations centered with a white orchid.

Attending the bride were Theresa Derouin of Escanaba, maid of honor and Mrs. Sharon Morris of Kalkaska, Mich., sister of the bridegroom, bridesmaid.

#### Red Velvet

They wore identical red velvet floor length gowns with long white gloves and matching red

velvet bow headpieces with fly-away veils. They carried colonial style bouquets of white carnations centered with a red rose.

Serving as best man was Harold Morris of Kalkaska and groomsmen was Thomas A. Smith of Gladstone. Performing ushering duties were Gerald L. Smith of Menasha, Wis., and Wally Nye of Escanaba.

Tammy Sue Nye, niece of the bride, was the flower girl and was attired in a miniature replica of the bridesmaids' gowns. Carrying the wedding rings was Danny Johnson, nephew of the bride.

#### Mothers' Attire

Mrs. Gallagher wore for her daughter's wedding a navy blue dacron knit suit with matching accessories and was presented a blue and white carnation corsage. Mrs. Smith chose a pink A-line dress also with matching accessories and she pinned a pink and white carnation corsage.

The wedding reception and dance were held at the Sherman Hotel and assisting with duties were Mrs. Joan Calouette, Mrs. Arlene Smith, Darlene Anderson and Judy Larson.

After a wedding trip to an undisclosed destination, the couple will reside in Bainbridge, Md. The bride is a 1967 graduate of Escanaba Area High School and Mr. Smith graduated from Gladstone High School in 1962.

# Pipeline Ownership Subject Of Hearing

WASHINGTON (AP) — The Federal Power Commission Friday ordered further hearings to determine "appropriate" ownership of a natural gas pipeline that stretches 1,000 miles across the north central United States.

The date for resumption of the hearing will be set later.

The \$211-million project was constructed by the Great Lakes Gas Company, jointly owned by Trans-Canada Pipelines of Calgary, Alberta and the American Natural Gas Co., Detroit.

The FPC approved construction of the project in June 1967 but, after litigation, the case was returned to the commission by the Court of Appeals for the District of Columbia.

The court said the commission failed to apply proper standards to determine relevant antitrust policy and ignored significant anti-competitive effects of the venture.

The FPC in approving the Great Lakes project denied a competitive proposal by Northern Natural Gas Co. and a subsidiary, Northern Natural Gas Transportation Company, both of Omaha, Neb.

Northern appealed the FPC action if the Court of Appeals. The FPC later denied requests by Northern asking it to vacate its authorization for Great Lakes and to stay construction of the project.

The project is designed to transport 677 million cubic feet of gas daily to be received from Trans-Canada at Emerson, Minn., with most of it to be re-delivered to the Canadian pipeline at two points on the U.S. Canadian border near Sarnia and Sault Ste. Marie, Ont.

In its opinion, the court concluded that the joint venture of American Natural and Trans-Canada appeared to lessen substantially competition among suppliers in the Michigan Wisconsin Pipe Line Co. consumer market and between Trans-Canada and suppliers of gas from U.S. sources.

## Mortar Misses White House; Carries Leaflets

WASHINGTON (AP) — A homemade mortar, aimed at the White House and loaded with anti-Communist leaflets that have descended on three other cities this month, misfired and hit a toolshed.

The device exploded harmlessly Friday several hundred feet from the White House.

The leaflets were signed "Minutemen," an organization described by the FBI as "secret, extremist and anti-Communist."

Police said the leaflets were crammed into a vegetable can and launched from inside a trash can with explosives. Officers said the projectile, which was to split apart with a second explosion, would have gone into the Ellipse behind the White House or onto the White House grounds if the first explosion hadn't tipped the rubbish can.

The projectile was launched from the corner of 15th Street and Constitution Avenue between the executive mansion and the Washington Monument. It tore into a plywood toolshed several hundred feet from the White House.

Similar shots were more successful in Dallas, Tex., Monday and Kansas City and Wichita, Kans., Nov. 6. In those cases the cargo showered over busy areas.

The leaflets bear a United Nations symbol with crossed bones and the message: "How much longer will the American people stand idly by while their constitutional rights and freedoms are bartered away through secret treaties and U.N. commitments made without their knowledge or consent?"

The FBI, the Secret Service and Army bomb experts all examined the projectile, trash can and leaflets.

The device seemed to be skillfully designed, said police.

## Girl Drowns

MOUNT CLEMENS (AP) — Martin Jennett, 2, drowned Friday after falling into a fish pond behind his home in Macomb Township.

Thomas P. Bayard was the first ambassador of the United States.

AIRMAN 1. C. PATRICK J. NUGENT and his wife, Luci, younger daughter of President Johnson, check camera equipment as they wait at Honolulu International Airport on Oahu Island for a plane to take them to Hawaii Island. The Nugents left their son, Lyn, with baby sitters during the overnight trip. Nugent arrived in Hawaii Wednesday on rest and recuperation leave from Vietnam. (AP Wirephoto)

## Mead-Woodward Merger Okayed

DAYTON, O.—The Internal Revenue Service has issued a favorable tax ruling which clears the way for completion of the merger between Mead Corp. and the Woodward Corp., of Woodward, Alabama.

Woodward President William R. Bond and James W. McSwiney, president of Mead, said the merger will be finalized on Nov. 30.

The combined companies have total assets of approximately \$700 million. Mead had sales last year of \$633 million; Woodward's totaled \$163 million. With the addition of Woodward, Mead will employ approximately 82,000 people and operate over 100 mills and plants in 28 states, plus seven in Europe.

## Quadruplets

DETROIT (AP) — There sat Gus Pultier, 34, quietly taking in the Detroit Lions football game Sunday, providing a lesson in nonchalance to all who cared.

Pultier's wife, Pamela, 31, had just given birth to quadruplets in suburban Dearborn. Weighing a total of 15 pounds, 7 ounces, they were described as healthy and normal.

The Pultiers have two other children, Brian, 6 and Todd, 1. "He's probably going to lose a lot of customers after this," joked Pultier of the physician who had treated his wife.

## UPCAP To Ask More Legal Aid

Highlight of the Upper Peninsula Committee for Area Progress (UPCAP) delegate body meeting in Ishpeming, Tuesday, Dec. 3, will be a tour of the new Northern Automatic Electric Foundry, Chairman Harold Dettman of St. Ignace announced today.

The foundry, first of its kind in the United States, uses automatic electric and induction furnaces together with automatic molding machines to produce small castings. Utilizing low grade scrap such as junk autos, the foundry produces castings used by the iron and copper mining companies and other industries.

Ianor Munck, manager of Northern Automatic Electric, will explain the operation of the foundry to the delegates. It will be the first opportunity for most of the delegates to view the operation which received UPCAP technical assistance in its formation.

The meet, which begins at 9:30 a. m., will hear a review of UPCAP activities during the past three months by Lee D. Meyers, executive director.

Other agenda items include discussion on the renewal of the Office of Economic Opportunity technical assistance grant and the application for continuance of the U. P. Legal Services program.

Legal Services, under the direction of Nino Green, Escanaba, will open the afternoon session with a program designed to explain the services and plans of his department which was created to furnish legal assistance to the indigent.

Adv.

To keep the busy craft flying, the Air Force has been putting special reinforcing plates on the wings.

But to "insure a long future life" many C130 models will have virtually an entire new wing, the Air Force said.

A new wing section will be installed in approximately 400 C130 models B through E series. Not affected is the C130A, the version which has been converted to the "Puff the Magic Dragon" gunship which can fire thousands of rounds per minute in support of ground troops.

The wing problem came to light a few days ago when the Air Force awarded Lockheed Aircraft Corp. a \$7.7-million contract for "design, fabrication and installation" of a new C130 wing.

In response to questions the Air Force said cracks had been discovered in the C130 wing skin during regular inspection.

Besides the \$7.7 million, the Air Force said \$3.86 million had been spent on other corrective measures, indicating that each C130 fix-up is costing the Air Force around \$29,000.

Lockheed has built some 2,000 to 3,000 C130s.

The Air Force apparently does not hold the company responsible.

## Fulbright Says Political System Is Worth Saving

ANN ARBOR (AP) — The American political system is worth saving if society can overcome its problems, U.S. Sen. J. William Fulbright, D-Ark., told an audience of students at the University of Michigan Sunday.

"We must save American society, not for what it is, but what it is capable of becoming," Fulbright told the audience of 4,000.

"If society is capable of solving its problems, it will be saved," he said.

Fulbright, who is chairman of the Senate Foreign Relations Committee, listed the war in Vietnam as one of the key problems facing America today. He has long been an opponent of U.S. policy in Southeast Asia.

He listed as other problems "the loss of individuality, particularly in the middle class," and the sterile nature of large universities.

"A professor is mainly a producer of salable data," he said. Alienated youth, he said, "are the last stronghold of deeply committed people in American society."

But he told the students they must obey laws even if they don't agree with them, or face the consequence.

## Stops Tormenting Rectal Itch

Exclusive Formula Promptly Stops Itching, Burning and Relieves Pain of Piles In Most Cases

New York, N.Y. (Special): The embarrassing itch caused by hemorrhoids is most torturous. But science has found a special formula with the ability, in most cases — to promptly stop the burning itch, relieve pain and actually shrink hemorrhoids. And all without narcotics or stinging astringents of any kind.

The secret is Preparation H®. There is no other hemorrhoid formula like it. Preparation H also lubricates, soothes irritated tissues and helps prevent further infection. In ointment or suppository form.

'69 Chevy Nova SS Coupe

**We'd say compare Nova SS with its closest competition.**

**If anything came close.**

Nobody else has anything like the Chevy Nova SS. The Nova SS comes onto the scene with power disc brakes, beefed-up suspension, wide-oval tires—the works.

Under that domed hood is a

standard 350-cubic-inch 300-hp V8. For even more varoom, you can add a 350-hp or 375-hp version of the Turbo-Jet 396.

You can get the whole Nova SS story at your Chevy dealer's Sports Shop.

Even if the competition came close to Nova SS, we wouldn't worry. Close only counts in horse-shoes.

Putting you first, keeps us first.

See the Super Sports at your Chevrolet dealer's Sports Department now.

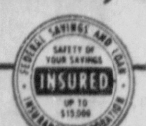

...and let us also give thanks

for the human dignity which we enjoy as free individuals...for the preservation of the peace...for the prosperity of our great Nation...for its thrifty and self-reliant citizens...for our homes and the family happiness they bring...for the challenge of the unlimited opportunities which lie ahead.

# Un-American Activities Comm. Suit Thrown Out

WASHINGTON (AP) — The Supreme Court threw out today a suit challenging the constitutionality of the House Committee on Un-American Activities.

Dr. Jeremiah Stamler, Chicago heart specialist, and two others charged the committee's activities stifled freedom of association and criticism of the government.

Their request for a hearing was turned down by a 5-3 vote. Justices Hugo L. Black, William O. Douglas and John M. Harlan said the court should have scheduled oral argument in the case and weigh whether their appeal has merit.

Chief Justice Earl Warren and Justices William J. Brennan Jr., Potter Stewart, Byron R. White and Abe Fortas voted to dismiss the appeal. Justice Thurgood Marshall did not participate in the case.

Stamler and the two others, Mrs. Yolanda Hall, a nutritionist, and Milton M. Cohen, a social worker, refused to testify in a 1965 investigation of Communist activity in Illinois.

Their suit challenged the constitutionality of the 1946

## Italy Reuniting Behind Rumor

ROME (AP) — Mariano Rumor, with his Christian Democratic party apparently reuniting behind him, appears once more to be in line for Italy's premiership.

Socialist Alessandro Pertini, the premier-designate tapped Sunday by President Giuseppe Saragat, was given little chance to form a government. But Saragat's appointment of the 72-year-old president of the Chamber of Deputies was expected to force the skirmishing Christian Democrats back together, and it appeared to be doing that Sunday night.

Rumor resigned as secretary of Italy's largest party last week. The party council rejected the resignation Sunday night, making him once more the likeliest choice for premier.

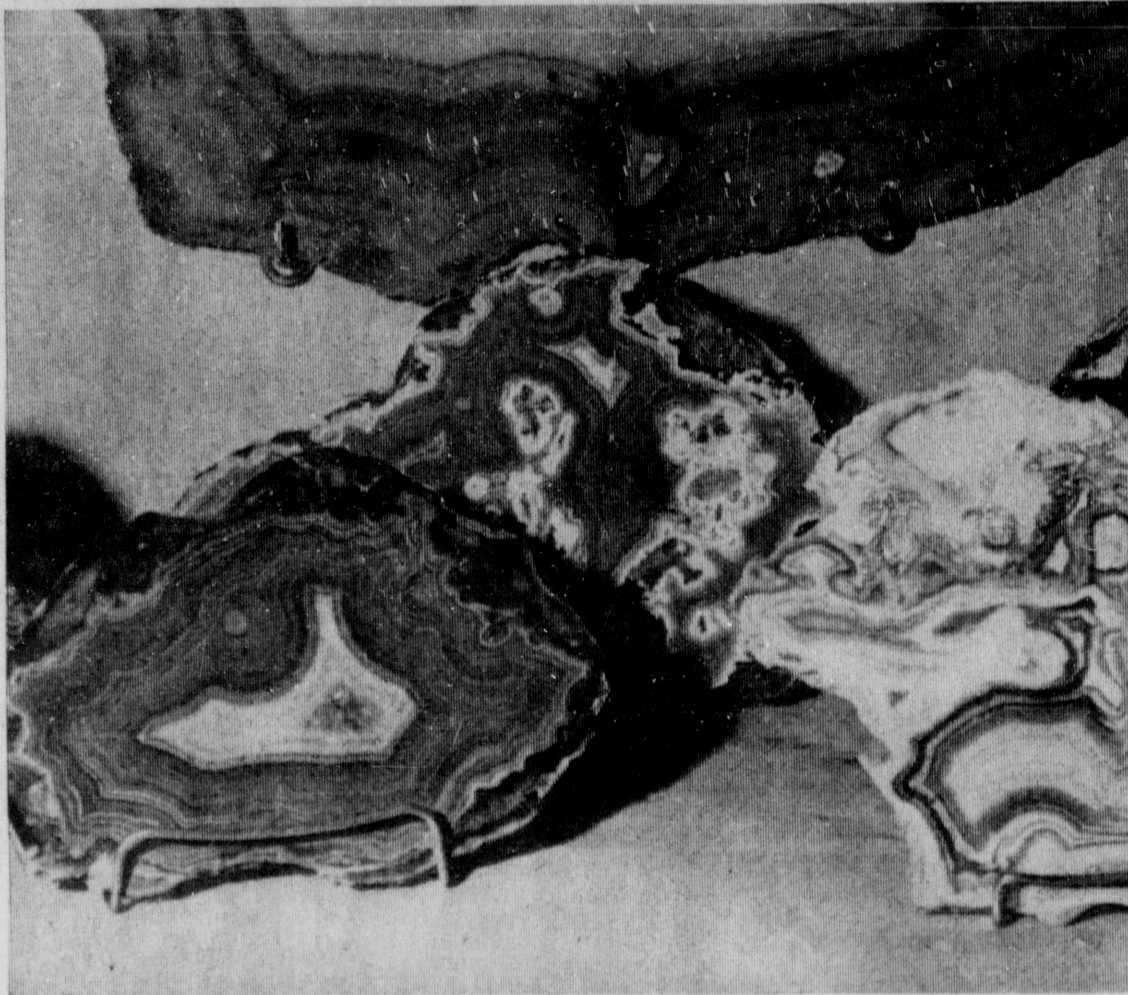

congressional act that authorized the committee to investigate "un-American" and "subversive" "propaganda" and "propaganda activities."

They also sought an injunction against prosecution for contempt and against the activities of the committee.

Last June a federal court in Chicago dismissed the suit by a 2-1 vote. Judge Julius J. Hoffman held the 1965 hearing was immune from suit under a constitutional provision that "for any speech or debate in either house" Congress members "shall not be questioned in any other place."

The appeal said the 1946 act "sanctions inquiries into political beliefs and associations, pure and simple."

"The sweeping inquiry," the appeal added, "even when directed to Communist party membership, can serve no legislative interest which counterbalances the strong interest of citizens in the protection of their first amendment freedoms."

AMONG THE MOST colorful specimens in the Robbe Mineral Collection at Michigan Tech are the hundreds of cut and polished agate sections. (MTU Photo)

# Mineral Collection Outstanding

HOUGHTON — If you've wondered what makes rockhounds so ardent, a visit to the second floor of Michigan Tech's library will give you a good idea.

That's where the most spectacular and colorful mineral collection to be acquired in years by the university has been placed on display.

The more than 6,500 specimens belonged to the late Dr. George B. Robbe and Mrs. Robbe, who collected them and did most of the cutting and polishing involved. After Dr. Robbe's death, his wife donated the collection to Tech.

Included are hundreds of polished sections and cabochons of green and yellow variscite,

agates of countless types and shades, petrified wood and dinosaur bones, and a wide variety of minerals just as they were found in their natural crystalline formations.

The variscite from Utah and the Jasper from Bruneau, Idaho, are especially prized by collectors because they were found in areas now almost inaccessible.

Dr. Robbe was graduated from Michigan Tech in 1913 with B. S. and E. M. degrees. His career as a mining engineer began with the Quincy Mining Company and continued in the West. In 1919 he joined the Bingham Mining Company in Utah.

During this period he pioneered in the method of precipitating copper from solution by the use of tin cans. In 1961 Dr. Robb was awarded an honorary doctor of engineering degree by MTU.

The collection includes the display cases, which were made from special woods selected for this purpose by the Robbes. Mrs. Robbe arranged the displays of polished specimens in the smaller wall cases.

Visitors are welcome during normal library hours. The Robbe collection is part of Michigan Tech's A. E. Seaman Mineralogical Museum, housed on the entire fourth floor of Hotchkiss Hall on campus. Dr. Kiril Spiroff is museum curator, and Mrs. Jean E. Kemp is assistant to the curator.

# Auto Workers Get Pay Hike

DETROIT (AP) — Wages of 710,000 auto workers in Michigan and elsewhere across the country went up 9 to 18 cents hourly today.

Pay raises go to 450,000 hourly rated employees at General Motors Corp., 160,000 at Ford Motor Co., and 100,000 at Chrysler Corp. under new three-year contracts signed last year with the United Auto Workers Union.

A General Motors spokesman said the increase gives 10 cents hourly to assemblers, the largest classification of workers, and brings their hourly wage to \$3.62, including a 13-cent hourly cost-of-living allowance.

Among skilled tradesmen, such as a diemaker, the boost is 14 cents hourly, raising pay to \$4.92, including the cost-of-living allowance.

Those making less than \$3.30 hourly get a nine-cent increase, those making more than \$4.92 are graduated upward to 18 cents.

Effective Dec. 1 higher supplemental unemployment benefits will guarantee a laid-off worker up to 95 percent of his normal take-home pay, and increased pension benefits take effect Jan. 1.

## With The Deer Hunters

The Daily Press welcomes news about hunters, events in camp, and who got deer. Phone deer hunting items to 786-1021.

Clifton Doyen, 1112 3rd Ave. S., bagged a 150-pound doe late Saturday afternoon in the Cornell area.

Joe Sabor, hunting off the Five Corners road in Danforth, shot a spikehorn buck weighing 140 pounds Thursday morning.

Hunting out of the John Larson Camp, east of Rock, Roman Gill, 1713 8th Ave. S., killed an 7-point, 185-pound buck, on Sunday afternoon.

Mr. and Mrs. William Edwards, Denver, Colo., Atty. and Mrs. Herman Leasum, Sturgeon Bay and Capt. and Mrs. Arni Richter, Washington Island, have left for their homes after spending nine days hunting out of the Paul Richter Camp at Kate's Lake.

Mr. and Mrs. David Oslund and Arnold Johnson of Kingsford are hunting at the Porcupine Acre Camp in the Ogontz area as guests of Mr. and Mrs. Robert Martin of Rapid River. Mrs. Oslund is Mrs. Martin's sister.

Brian Krause, 17, shot his third deer in three years of hunting on Sunday morning. This year's kill was an 8-point, 160-pound buck. He was hunting with his dad, Floyd Krause, 2210 15th Ave. N., out of the Krause Camp at Stonington. Floyd shot a 150-pound doe on Saturday morning. Early in the season Wayne Courier, 206 S. 8th St., hunting out of the same camp, shot a 4-pointer that weighed 125 pounds.

## Robert Taylor To Leave Hospital

SANTA MONICA, Calif. (AP) — Robert Taylor probably will leave St. John's Hospital by Tuesday after undergoing treatment for an infection that complicated his recovery from lung surgery, his family said Sunday night.

Doctors say the 57-year-old actor entered the hospital Wednesday for treatment of an abscess that formed after an Oct. 8 operation to remove a lung because of a fungus infection.

On Saturday, doctors reported the abscess had been drained successfully and listed Taylor in good condition.

# Massachusetts Fails To Solve Welfare Woes

BOSTON (AP) — Massachusetts' effort to take full charge of public welfare and straighten out its problems has been shaken by charges that welfare costs are on a runaway track.

A report by the legislative Committee on Public Welfare said "profiteering" by health service vendors and abuses by welfare administration were hiking costs.

The welfare system, in the first four months of state takeover, also was under attack by some welfare recipients who demanded more of everything, invaded welfare offices, assaulted social workers and ransacked desks.

The report also stated that addition of Medicaid plus increases in aid to families with dependent children were pushing up welfare costs at an unprecedented rate.

Increase The report, developed chiefly under direction of Sen. Beryl W. Cohen, D-Brookline, committee chairman, with two state police investigators, asserted last week that yearly welfare costs would go over \$1 billion within two years.

The report said: "Numerous physicians, druggists and dentists are exploiting welfare recipients to an alarming extent by providing unnecessary, duplicative and costly services." Doctors are writing prescriptions for items such as toothpaste, soap, bandages and mouthwashes. Ten Boston dentists have been paid a total of more than \$1 million this year for welfare work. Ten Boston drugstores have been

paid nearly \$750,000 for sales to welfare recipients in the first seven months of 1968.

Special Buys —Welfare recipients are allowed to own their own homes and recipients are increasingly buying real estate, including "many instances" of two or three-family homes. When a recipient fails to pay his rent or utilities, the Welfare Department will make full payment without penalty. The use of emergency food orders "has skyrocketed."

## Nab Abductor After Accident

NEEDLES, Calif. (AP) — A traffic accident provided the break needed for the safe recovery of a 3-year-old New Orleans, La., girl and the arrest of a Fresno man charged with abducting her.

Frank Willis Castile, 39, was arrested Sunday by FBI agents and charged with kidnapping Brenda Ann Maquar, who was taken from a stroller in front of a grocery near her home last Wednesday.

He and the girl had been brought here for hospital treatment Friday after Castile apparently fell asleep at the wheel and his car left Interstate 40 about six miles east of Topock, Ariz., a small community seven miles southeast of here.

FBI agents quoted hospital spokesmen as saying the girl became hysterical while being treated for minor injuries and told nurses that Castile was not her father. Because of difficulty in understanding the girl's statements, the FBI was not called into the case until Sunday.

When the girl was identified, kidnapping charges were filed against Castile in New Orleans and he was placed under arrest. Agents said the girl would be taken to her parents by the FBI "on the next available flight."

Castile is to be arraigned before a U.S. commissioner in Barstow, Calif., after his release from the hospital. Spokesmen listed his condition as satisfactory, but declined to describe the extent of his injuries.

## Commuter Traffic Halted By Strike

NEW YORK (AP) — The Long Island Rail Road, the usual mode of travel for 90,000 commuters between Long Island homes and New York jobs, was halted today when trainmen failed to show up for work in a schedule dispute.

Commuters generally took to their cars to reach the city, creating miles-long traffic jams and crisscrossing city subways at points on the outskirts.

Police reported a six-mile city-bound backup on the Grand Central Parkway beginning at the site of the World's Fair grounds. Other highways also were unusually congested.

The railroad instituted a revised schedule at a minute after midnight this morning. No trains moved after that time. The railroad said the stoppage was an illegal strike.

Department stores are creating divisions in furniture and household goods sections to encourage welfare recipients to buy. Recipients also have used taxicabs for unauthorized purposes and one Boston cab firm was paid \$60,000 for transportation, including an average \$12.20 per ride in July. The department pays the full costs of moving and a mover who owns one truck has been paid \$113,000 for the first seven months of 1968.

State Welfare Commissioner Robert F. Ott and Cohen agreed that virtually no improper charges had been or would be paid because of the department's audit system.

Ott disagreed with the \$1-billion-cost prediction, but gave no estimate of his own.

## Deer He Shot At Was His Son

TAWAS CITY (AP) —Francis Delavergne of Greenbush told police he fired at what he thought was a deer, then discovered later that he had wounded his 16-year-old son, Donald E. State Police said the boy and his father were quite a distance apart when Donald was shot in the head. The father drove the wounded youth about 20 miles to an East Tawas hospital, where he died. The shooting occurred in Ogemaw County's Richland Township Saturday.

# Detroit Bus Drivers Will Not Carry Cash

DETROIT (AP)—Officials of Detroit's city-owned bus system announced today that because of an increase in robberies of bus drivers, the drivers will no longer carry cash to make change for passengers.

The board of commissioners of the DSR (Detroit Street Railways) said the exact fare collection plan—called "Ready Fare"—would go into effect Nov. 30.

"The DSR has had to take action to halt growing crime involving our drivers," said

Robert E. Toohey, DSR general manager. "In 1966 11 drivers were robbed. The figure went to 48 in 1967.

"So far in 1968 over 72 drivers have been robbed."

Here's how the exact fare collection plan works: Drivers will no longer carry any cash or tickets. They will have a key to the fare box.

Passengers boarding must present the driver with the exact 30-cent fare or a ticket, which sells at seven for \$2.00.

Passengers who do not have the exact fare will be issued a two-part refund slip which will be punched to show the amount received from the passenger and the amount of his fare.

One part of the slip will be placed by the driver in the fare box. To get a refund the rider will have to mail his half of the slip with a self-addressed stamped envelope to the DSR. Within three days a refund will be mailed either in the form of DSR tickets or stamps.

## Police Investigate Fatal Beating

KALKASKA (AP) — Kalkaska County sheriff's deputies continued their investigation today of the fatal beating of Ronald A. Cronk, 19, of Cheboygan, whose body was found by hunters in a wooded area seven miles north of Kalkaska. Sheriff Earl Woodman said some other hunters reported hearing screams and sounds of a car engine about 4 p.m. Friday in the area where the body was found.

# Holy Name Students Join Drive Against Muscular Dystrophy

Holy Name High School students of Escanaba will again conduct a house to house campaign against muscular dystrophy, it was announced today by Tom Smith, co-chairman of the campaign.

Brother Mark of Holy Name High School will coordinate his students. The dates have been set for Wednesday, Nov. 27 through Saturday, Nov. 30.

"This will be the fourth year the students have selected muscular dystrophy as their service project," said Smith.

At present neither the cause nor an effective treatment of muscular dystrophy has been discovered. It is a chronic disease which progressively destroys muscle tissue, disabling its victims and ultimately rendering them completely helpless.

The majority of M.D. victims are children although anyone can be afflicted regardless of age, sex or race.

Four of the 80 muscular dystrophy clinics in the United States are in Michigan, one each in Detroit, Flint, Grand Rapids and Kalamazoo.

Locally muscular dystrophy patients receive wheelchairs, braces, hospital beds, lifts and other orthopedic equipment. All fees for examinations at an M.D. clinic are paid by the Association.

# Magnus Larson Dies On Sunday

MANISTIQUE — Magnus Larson, 75, 325 N. Houghton Ave., died at 10 a.m. on Sunday at his home.

Born on Aug. 19, 1893, in Norway, he had been a resident of Manistique for the last 57 years. His last employment was with the Schoolcraft Lumber Company.

He was a veteran of World War I, serving in France and Germany with the Casual Detachment from Aug. 21, 1917 to Aug. 29, 1919. He was a member of American Legion Post No. 83.

Surviving are his wife, the former Delina Monette, whom he married on April 4, 1921 in Manistique. There are also four sons, six daughters, 38 grandchildren, 11 great grandchildren and two half-brothers in Norway. The children are: Robert, Marvin, and Daryle of Flint; Milton, Manistique; Mrs. Harvey (Leone) Patz, Manistique; Mrs. Ernest (June) Holm, Thompson; Mrs. Marilyn Cooper, Lodi, Calif.; Mrs. Kenneth (Camille) Tufnell, Manistique; Mrs. Milton (Sheila) Herro, Thompson and Miss Myrna Larson, Green Bay.

Friends may call at the Messier-Broulliere Funeral Home beginning at 4 p.m. on Tuesday. Complete funeral services will be at the funeral home at 2 p.m. on Wednesday with the Rev. Daniel Zalogo, assistant pastor of St. Francis de Sales church officiating. Burial will be in Fairview Cemetery.

Veterans memorial service will be held at 8 on Tuesday evening at the funeral home.

## Obituary

JOSEPH PELTIER Funeral services for Joseph Peltier were held at 10 a. m., today at St. Anne's Church with Rev. Stephen Mayrand officiating. Burial was in Holy Cross Cemetery. Pallbearers were Francis Grenier, Clarence Weber, Clay Holm, Roger Johnson, Thomas Peltier and Dennis Webber.

MRS. ROSE SABOR Funeral services for Mrs. Rose Sabor, 78, of 1609 N. 16th St., will be held at 10 a. m., Wednesday at St. Thomas Church with Rev. Arnold Thompson officiating. Burial will be in Holy Cross Cemetery. Friends may call from 3 to 9:30 p. m., Tuesday at the Degnan-Crawford Funeral Home. Parish prayers will be recited at 8 p. m.

RAY H. CARLTON Friends here have been notified of the death in Los Angeles on Friday of Ray H. Carlton. Carlton was the husband of the former Carol Hunt who was a resident of Escanaba.

# Bratkowski Passes Packers To Victory

WASHINGTON (AP) — The Green Bay Packers, turning a vintage substitute for victory, have bounced back within reach of a fabled comeback in their try for a fourth straight National Football League title.

Balding super sub Zeke Bratkowski brought Green Bay back to within half a game of the top Sunday in its division battle for a playoff berth as he passed the Packers to a 27-7 conquest of outclassed Washington.

The veteran quarterback, who riddled the Redskins for 18 completions on 24 passes for 230 yards, said, "There's only one statistic that counts—the win."

The Packers, who have had to

win their last two games just to draw even with a 5-5-1 record, are faced with the awesome need to keep that streak going all the way through the season's end—anything less can mean doom.

"These are the championship weeks," said Bratkowski.

"Everyone is aware of what can happen with any game. The whole team has dedicated itself to winning those games."

The 37-year-old Bratkowski started in place of Bart Starr, who was sidelined with sore ribs, and completed eight straight passes to guide the Packers to two early touchdowns. He capped the triumph with a 47-yard pass to half back Donny Anderson, who broke away from three Redskins to score.

For Bratkowski, who began his pro career back in 1954 about the same time Anderson was entering the fifth grade, the role of victorious reserve was almost routine.

Nine times in the past three championship seasons the backup passer took over to steer the Packers to success in a game.

The Packers' crushing defense aided by holding the Redskins without a first down for nearly 25 minutes, grabbing three fumbles, and giving up only 33 yards rushing all day.

The victory put Green Bay just behind Minnesota in the Central Division race where the Packers were in last place only two weeks ago. The Vikings lead was slashed to half a game by their 21-9 loss to Baltimore Sunday.

First downs Packers Redskins  
Rushing yardage 158 135  
Passing yardage 235 131  
Return yardage 40 37  
Punts 18-24-2 18-20-0

# Rockets Even Record With Victory Saturday

RAPID RIVER — The Rapid River Rockets evened their season record at 1-1 as they notched a 54-41 victory over the Engadine Eagles Saturday night in the Rapid River High School gym.

Neither team scored well, although the Rockets had a balanced attack, scoring 13 points in the first and fourth quarters and 14 points in the two middle periods. Rapid River's big edge came on the boards where they out-rebounded the Eagles 34-27. Morley Rushford led the Rockets in rebounding with 10.

Engadine had trouble in all four quarters as they could only muster seven points in the first and third periods and only outscored the Rockets once, in the fourth quarter.

Klint Safford and Dale Morin led the Rockets in scoring with 16 and 12 points respectively. Safford had his 16 points on five field goals and six free throws before fouling out of the game.

Ken Germain topped all scorers in the game with 17 points for Engadine and his teammate Pat Bigger chipped in with 12 to aid in the losing cause.

The Rockets take time off for the Thanksgiving holiday and do not return to action until Dec. 3 when they play host to the Rock Little Giants. Engadine is off until Dec. 6 when they entertain the DeTour Red Raiders at home.

## Season Tickets

Season tickets for the Escanaba Eskymos nine home basketball games are on sale at the Activities Office of Escanaba Area High School. Adult tickets are \$7.50 and student tickets are \$3.

Newspaper Want Ads are a big sell! One billion, twenty-one million was spent on classified ads last year . . . more than for all magazine advertising combined and more than 300 million more than radio advertising.

# Black Hawks Whitewash Minnesota Sextet, 6-0

By The Associated Press  
The hottest goaltender in the National Hockey League is Chicago's Dave Dryden, who has burned Minnesota twice in less than a week.

Handed the Hawks' No. 1 goalie job two weeks ago, Dryden has allowed just one goal in the last three games, shutting out Minnesota twice. The latest was a 6-0 whitewashing which the Black Hawks hung on the North Stars Sunday night.

In other Sunday night games, New York edged Oakland 3-2, Boston bombed Toronto 7-4 and Los Angeles trimmed Philadelphia 3-1.

In Saturday night's games, Boston ripped New York 5-1, Montreal topped Minnesota 4-3, Detroit dropped Toronto 5-2, Oakland edged Philadelphia 2-1, St. Louis shut out Chicago 1-0 and Los Angeles played Pittsburgh to a 2-2 standoff.

Dryden kicked out 30 shots against Minnesota including a breakaway effort by Billy Collins in the second period. The two shutouts in less than a week

were more than Dryden had managed in parts of two previous NHL seasons.

He had plenty of support from the Black Hawks as Eric Nesterenko and Ken Wharram led the rout with two goals apiece. Chicago scored four times in the final period to break the game open.

And while Dryden is concentrating on scoreless goaltending, the Boston Bruins are concentrating on battering goaltenders. The Bruins had a 12-goal weekend, capping it off with seven against Toronto Sunday after scoring five against New York the night before.

Phil Esposito led the Sunday romp with three goals and two assists. The hat trick gave Esposito 12 goals for the season. One of his assists came on a goal by Ron Murphy, the first one for the 35-year-old veteran since the 1966-67 season. Murphy missed most of last year with injuries.

Goals by Ron Ellis and Murray Oliver 16 seconds apart in

JIM GRABOWSKI (33) of the Green Bay Packers charges through for a 14-yard first quarter gain Sunday in the game against the Washington Redskins. Jim Carroll (60) of Washington managed to hang on to bring Grabowski down. At right is Carl Kammerer (66) of the Redskins. (AP Wirephoto)

# Colts Stampede Vikings On Morrall's Air Attack

By The Associated Press

Nobody seems to be immune to the crippled quarterback epidemic sweeping the National Football League this year. But three clubs are getting maximum protection from the first aid firm of Earl Morrall, Craig Morton and Zeke Bratkowski.

Morrall, who stepped into Johnny Unitas' pass pocket at the outset of the season when the Baltimore ace came up with a sore pitching arm, helped the Colts stampede the Minnesota Vikings 31-9 Sunday for their 10th victory in 11 starts.

Morton, filling in for ailing Dallas star Don Meredith, guided the Cowboys to a 34-3 romp over the injury-riddled Chicago Bears, Bratkowski, working in relief of sore-ribbed Bart Starr, led the Green Bay Packers past Washington 27-7 and into title contention.

The Colts remained one-half game ahead of the Los Angeles Rams, who nipped New York 24-21 on Bruce Gossett's field goal with four seconds to play, in the Coastal Division race. Dallas, 9-3, increased its Capitol lead over the second place Giants to two games, with three to play.

Bill Nelsen, another one-time backup quarterback, kept Cleveland's Century pace-setters rolling, teaming with running back Leroy Kelly to engineer a 47-13 rout of the winless Philadelphia Eagles.

St. Louis trimmed Atlanta 17-12 to stay 1½ games behind the Browns; San Francisco drubbed Pittsburgh 45-28 and New Orleans fought Detroit to a 20-20 standoff.

Morrall, a 34-year-old NFL journeyman traded to the Colts by New York just before the start of the season, first two touchdowns passes . . . his 21st and 22nd of the year . . . as Baltimore soared to a 21-3 halftime lead over the Vikings. He hit on 13 of 16 passes for 225 yards in the first 30 minutes.

Minnesota's strong defensive unit stiffened after intermission, but the Colt defenders, who had shut out two of their three previous opponents, protected the margin. The Vikings' points came on three field goals by Fred Cox.

With Meredith nursing a torn knee ligament, Morton and the Dallas defense combined to

shackle the Bears. The 25-year-old quarterback, understudy to Meredith for four years, completed 15 of 32 passes for 240 yards and one score . . . a 15-yard strike to Bob Hayes.

The Bears, who had lost half-back Gale Sayers and quarterback Virgil Carter for the season, were unable to generate an attack behind Jack Concannon, calling signals again after being sidelined with injuries. The game was halted 40 seconds from the finish after two first-swinging melees broke out.

Nelsen flipped one touchdown pass and Ryan threw another as the Browns, 8-3, handed Philadelphia its 11th setback in as many starts. Kelly scored twice, passed for another touchdown and gained 108 yards on the ground, pushing his season total over the 1,000-yard mark.

Gossett, who had missed three earlier field goal attempts, boot-

ed the winning three-pointer for the Rams from 36 yards out, capping a Los Angeles rally that wiped out the Giants' 14-0 halftime advantage. Fran Tarkenton fired two scoring passes to Aaron Thomas and a third to Tucker Frederickson.

The Cardinals held off a late Atlanta bid after quarterback Jim Hart's 30-yard TD pass to Willis Crenshaw and one-yard scoring plunge gave them a 17-3 lead. The St. Louis defensive line tossed Falcons passer Bob Berry 11 times for losses . . . one short of the NFL single-game record.

John Brodie sizzled for San Francisco as the 49ers steamed to a 35-14 halftime lead, hitting on 12 of 13 passes for 207 yards and two scores before the break. Pittsburgh's Dick Shiner, intercepted five times by the 49ers secondary, threw two touchdown passes in the last quarter to close the gap.

# Maroons Begin Defense Of Cage Crown In U.P.

MARQUETTE — Pat Miller isn't around, but that doesn't mean the quality of basketball at Menominee is going to take a sudden drop.

Miller, top prep cager in the Upper Peninsula during the 60's helped the Maroons compile the greatest record in their history. They won two straight Upper Peninsula titles, grabbed a state Class B crown, had their first undefeated regular season, took a Great Northern Conference championship and, copped 28 straight games before losing in last spring's semifinals.

In the four years he played, Miller—now a student at Michigan State University—scored 1,627 points to rewrite many of Menominee's individual records.

Maroon Coach Bob Krysiak still has three players as a nucleus for his 1968 - 69 team, which begins play at Kingsford Wednesday. Two of them, Dewey Bellisle and Dave Haglund, were regulars a year ago and the third, Larry Haasch, filled in capably while Bellisle was sidelined by injury. Bellisle, incidentally, will be starting his 60th game as a member of the varsity in the Kingsford opener.

Besides Haasch, Krysiak—who has a 58 - 22 record for his four years as coach at Menominee—has Dan Jacques, Gary Reno, Jeff Pecotte, Jeff Jackl and Fred Marx as top contenders for the three starting spots with Bellisle and Haglund. Pecotte, Jackl and Marx are all 6 - feet - 2 and probably will see plenty of action to give the Maroons needed height.

The Menominee - Kingsford engagement is the opening game in the Great Northern race, which most coaches believe will be a four - team affair. Both Escanaba and city rival Holy Name are expected to field strong teams, while West Iron County, a newcomer to the circuit, could make a good bid for Menominee's crown.

West Iron is a consolidation of Iron River and Stambaugh, two clubs which reached the Upper Peninsula tournament finals last March. Iron River lost to Menominee by only six points in the Class B championship game while Stambaugh bowed to Wakefield by 15 in the Class C test.

## Sports In Brief

Dick McAuliffe, Tiger second baseman, made only nine errors in 151 games in 1968.

Earl Wilson slugged seven home runs for the Tigers in 1968 and batted in 17 runs.

# Lions Remain Last After Tying Saints

DETROIT (AP) — Many centuries ago lions devoured saintly Christians in the Coliseum at Rome.

But Sunday it was the Saints' turn to get even, and that's just what they did, as the New Orleans Saints battled the favored Detroit Lions on even terms for four quarters to finish in a 20-20 National Football League deadlock.

The Lions, starving from a string of six straight games without a victory, proved too weak to devour the Saints, even though Detroit was favored by as much as 11 points.

The tie put the Lions, record at 3-6-2 in the Central Division of the NFL to keep them in last place, while New Orleans' mark now is 3-7-1, good for third spot in the Century Division. Strangely enough, the Lions retained a mathematical chance to win the Central title.

Detroit took a 7-0 lead early in the first quarter as quarterback Bill Munson fired a 20-yard touchdown pass to flanker Billy Gambrell, who faked defender John Douglas at the seven-yard line to go in for the score.

New Orleans came back with a 31-yard field goal by Charlie Durkee in the period and went ahead on the second play of the second quarter on a four-yard touchdown toss from substitute quarterback Bill Kilmer to flanker Dan Abramowicz.

Wayne Walker kicked a 42-yard field goal to send the teams to their locker rooms at halftime tied 10-10.

A fine catch by tight end Charlie Sanders of a 13-yard Munson pass just over the Saints' goal line gave Detroit a third quarter touchdown. But New Orleans wasn't about to fold and came back with a 71-yard drive on 11 plays to tie

the game with a two-yard touchdown plunge by Don McCall.

Durkee and Walker traded field goals of 31 and 40 yards respectively in the final quarter, but each missed last ditch attempts in the waning minutes of the game to leave the score 20-20.

Durkee's final try came from 41-yards out on the final play of the game, but it was wide.

Walker's errant try, the last of three he missed, was from 46 yards out.

One bright spot in the otherwise dismal day for Detroit was the running and pass catching of Nick Eddy. Eddy, who started

in place of Mel Farr who has a bad knee, rushed for 86 yards on 15 carries and caught four passes for 48 yards.

It was Eddy's first full game since the injury plagued bonus halfback from Notre Dame joined Detroit two years ago.

Early in the game Eddy dropped a swing pass to draw boos from the crowd of 46,000.

Dave Kopay was his backfield mate, playing in Bill Triplett's usual fullback spot. He managed 26 yards rushing.

Statistically the game was almost even. New Orleans had 17 first downs to Detroit's 15. The Saints' total offense was a meager 262 while the Lions managed only 274. And New Orleans' return yardage on punts, kickoffs and interceptions was 115 compared with Detroit's 118.

If the Lions can't do better Thursday they might as well turn in their helmets. Philadelphia is 0-11 for the season.

## Demo Executive Committee Will Meet On Wed.

The Schoolcraft County Democratic executive committee will meet Wednesday, Dec. 4, at 8 p. m. at the Fireside to elect a county chairman, vice chairman, secretary and treasurer. The executive committee was named when the Democrats reconvened their fall convention last week at the court house.

Elected to the 36 - member executive committee were county candidates Gottfrid S. Johnson, Lloyd Gray, Fred Lesica, William Cowman, Franklin Burgess, Archie Carpenter, Leonard Shay, Harold McNamara, Robert Leny, Thurman Skarritt, Sr., Lindsay Frenette, Ernest Hoholik, David Rood, Russell Tennant, Homer Weber, and Norman Jahn. Also elected were at - large members U. S. A. Heggblom, Frank

Gierge, Ron Morton, Maurice Fagan, Matthew Klarich, Edwin Wuehle, Leo DeMars, Theresa Osterhout, Geraldine Bertrand, William Tennyson, Don Martin, Gene Deloria, Harold Carlson, Joseph Skomski, George Rubick, Joel Carley, Linda Walters, and Clayton R. St. Martin.

Also listed on the executive committee were Einar Erlandson of Escanaba and H. M. (Tony) Schneider of Indian River, the two most recent candidates for state representative and state senator, respectively.

## Not Guilty Plea By Flint Man

John Horott of Sault Ste. Marie, Mich. reported to state police that his auto struck and killed a deer at 10:30 Friday night one - half mile east of Blaney Park. No injuries were reported, no tickets issued and Horott's auto was not damaged.

Kenneth Mulhaupt of Flint appeared in Justice Howard Magoon's court on Friday and pleaded not guilty to a charge of driving while under the influence of intoxicating beverages. Mulhaupt posted \$100 bond at his arraignment and will appear for a hearing at a later date. Charges were preferred by Michigan State Police on Thursday.

## Obituary

**EWALD G. MICKELSON**  
Complete funeral services were held Friday at 2 p. m. at the Messier-Broulliere Funeral Home for Ewald G. Mickelson, 717 Oak St. Mr. Mickelson, who was 52 years of age, died suddenly Wednesday at the Schoolcraft Memorial Hospital.

Rev. M. Ingmar Levin, pastor of the Zion Lutheran Church, officiated at the services with burial in the Fairview Cemetery.

**JOHN A. CURRAN**  
Complete funeral services for John A. Curran, 81, of Gulliver who was killed Thursday morning in an automobile accident were held Saturday morning at 10 o'clock from the Messier-Broulliere Funeral Home. Rev. Daniel Zolaga, asst. pastor at St. Francis de Sales Church, officiated and burial was in the Lakeview Cemetery.

## Briefly Told

The Manistique Yacht Club will meet tonight at 7:30 p. m. in the club house.

Job's Daughters, Bethel 69, will meet Tuesday at 7 p. m. at the Masonic Temple.

Marvin Omness of Shelby, Mich., was ticketed for improper overtaking by state police on Friday.

Fairview, Central, Doyle and Hiawatha Schools hot lunch menu for Tuesday will include meat roll-ups, carrot sticks, buttered peas, fruit and beverage.

Public Safety officers were called to extinguish a fire on Thursday at 5:25 p. m. at the Senior Citizens Housing Project site. A small mound of straw caught fire but no damage to the project was reported.

City Council will consider introducing an ordinance providing for the establishment of a parking Violation Bureau, under the new District Court which will originate Jan. 1. Council is also expected to appoint a legislative contact man for the Michigan Municipal League for 1969 when they meet tonight at City Hall at 7:30.

## Hospital

Admitted to the Schoolcraft Memorial Hospital on Friday were Thora Haindl, Marjorie Christensen, Brownie Petrie, Alvin Wobser, Mary Kay McKilligan and Greg Gorsche. Discharged on Friday were Gordon Hamel, Kent Groshuesch, Lavonne Kerbersky, Norman Zehren, Loretta Stevens, Beverly Snyder, Jean Curran, and Maxine Troyer and infant.

Admitted to the hospital on Saturday were: Jenette Morton and Shirley Barr. Discharges included Brownie Petrie, Bonnie Sundin, Richard Frock, Charlotte Dragos, Mary McKilligan, and Greg Gorsche.

## City Briefs

Mr. and Mrs. William McEachern of Cooks and Mrs. Margaret Robere of Munising returned Friday night from Lansing where they attended funeral services for their brother - in - law, Otto Donovan, who died Wednesday. Mrs. Donovan is the former Irene McEachern of Cooks.

NOBLE BIRD, the golden eagle, is listed as one of a species that is vanishing faster than any other. The New York Zoological Society has expressed concern about the declining number of birds of prey, such as eagles, falcons and vultures.

## Fisher Fleetwood Strike Is Over

DETROIT (AP)—United Auto Workers Sunday ratified the terms of a new work conditions agreement with the Fisher Body Fleetwood plant of General Motors Corp.

The 5,000 members of UAW Local 15 went on strike Nov. 4. The strike idled 6,000 Cadillac assemblers, who relied on the Fisher Body plant to make the bodies for the luxury autos.

The agreement provides that the Fleetwood Division will hire 150 more men, scattered over the shifts, answering the workers' charges of speedup.

The giant auto producer said all idled workers except those assigned to the Eldorado division were instructed to report to work today.
